- We have a team of experts who can help you understand the benefits of driving electric
- We have a team of experts who can help you understand the benefits of driving electric

Drive EV Battery & High Voltage System Warranty

What is covered?

The warranty covers the battery pack and high voltage system for the life of the vehicle. This includes the battery pack, high voltage system, and the charging system. The warranty is valid for the life of the vehicle, but it is limited to the original owner. The warranty is void if the vehicle is used for commercial purposes or if it is involved in an accident. The warranty is also void if the vehicle is not used in New Zealand.
