Drive EV Battery & High Voltage System Warranty

What's covered?

This warranty covers the battery pack and all high voltage (HV) parts such as the vehicle-to-load charger, wires, sockets and all associated cables, switches, fuses, relays, contactors and all other HV components.

Minor faults that have a cost of up to \$500 will be covered for the first 12 months or 100,000 km, whichever comes first. Major faults that have a cost of up to \$5000 will be covered for the first 24 months or 200,000 km, whichever comes first.

Some faults may be excluded from this warranty. For more information, please contact us on 07 378 0082 or visit our website at www.driveev.co.nz.
