Drive EV Battery & High Voltage System Warranty

What is covered?
 The warranty covers the battery pack and high voltage system for the life of the vehicle. It covers the battery pack, high voltage system, and the charging system. The warranty is valid for 8 years or 100,000km, whichever comes first. The warranty is void if the vehicle is used for commercial purposes or is involved in an accident. The warranty is also void if the vehicle is not used in New Zealand.
