## Drive EV Battery & High Voltage System Warranty

**What is covered?**

The warranty covers the battery pack and high voltage system components for the life of the vehicle or 10 years, whichever is longer. The warranty is limited to the original purchaser and is non-transferable. The warranty is void if the vehicle is used for commercial purposes, is involved in an accident, or is damaged by fire, flood, or other external causes. The warranty is also void if the vehicle is modified or altered in any way. The warranty is subject to the terms and conditions of the warranty agreement.
