Drive EV Battery & High Voltage System Warranty

What is covered?

As part of the Drive EV Battery & High Voltage System Warranty, we cover the battery pack and high voltage system components for the life of the vehicle. This includes the battery pack, high voltage cables, and the high voltage system components. The warranty is valid for the life of the vehicle, or up to 10 years, whichever is shorter. The warranty is subject to the terms and conditions of the warranty.
