Drive EV Battery & High Voltage System Warranty

What is covered?

The battery pack and high voltage system are covered for 8 years or 160,000 km, whichever comes first. This warranty is subject to the vehicle being used for private purposes only. It does not cover commercial use, fleet use, or use in extreme climates. The warranty is void if the vehicle is involved in a collision or fire that damages the battery pack or high voltage system. For full terms and conditions, please refer to the warranty booklet.
