## Drive EV Battery & High Voltage System Warranty

**What is covered?**

The warranty covers the battery pack and high voltage system for the vehicle's useful life, or 8 years/160,000 km, whichever comes first. The warranty is limited to the battery pack and high voltage system only. It does not cover the vehicle's body, paint, or other components. The warranty is void if the vehicle is used for commercial purposes, is involved in an accident, or is damaged by fire, flood, or other external factors. The warranty is also void if the vehicle is not properly maintained or if the battery pack is replaced or repaired by anyone other than Drive EV.
