- Drive EV has the most comprehensive fleet management solutions.

Drive EV Battery & High Voltage System Warranty

What is covered?

The warranty covers the battery pack and high voltage system for the life of the vehicle or 100,000 km, whichever comes first. The warranty is subject to the terms and conditions of the warranty agreement.

What is not covered?

The warranty does not cover damage to the battery pack or high voltage system caused by misuse, accidents, or natural disasters. It also does not cover the cost of replacement parts or labor.
