**Drive EV Battery & High Voltage System Warranty**

**What is covered?**

The warranty covers the battery pack and high voltage system for the life of the vehicle. It covers the battery pack, high voltage system, and all associated components. The warranty is valid for the life of the vehicle, or 10 years, whichever is shorter. The warranty is void if the vehicle is used for commercial purposes, or if it is involved in an accident or other event that causes damage to the battery pack or high voltage system.
