Drive EV Battery & High Voltage System Warranty

Full English language conversion included

What is covered?

The warranty covers the battery pack and high voltage system for the vehicle's useful life, or 10 years/100,000 km, whichever comes first. It covers the battery pack, high voltage system, and associated components. The warranty is void if the vehicle is used for commercial purposes, is involved in a collision, or is damaged by fire, flood, or other external factors. For full terms and conditions, please refer to the warranty booklet.
