## Drive EV Battery & High Voltage System Warranty

**What is covered?**

The battery pack and high voltage system are covered for 8 years or 160,000 km, whichever comes first. This warranty is subject to certain conditions and limitations. For full details, please refer to the warranty booklet.

**What is not covered?**

This warranty does not cover damage caused by misuse, accidents, or unauthorized modifications. It also does not cover the cost of labor or other components not related to the battery or high voltage system.

This warranty applies to the original system and all High Voltage (HV) components such as the vehicle's on-board charger, motor, inverter, and HV cables. It does not cover damage caused by third parties or unauthorized modifications.
