- Drive EV is a member of the New Zealand Franchise Association (NZFA).

DRIVE EV
100% Electric Vehicles

Drive EV Battery & High Voltage System Warranty

What is covered?

The warranty covers the battery pack and high voltage system for the life of the vehicle, or 8 years, whichever is longer. It covers the battery pack and high voltage system, including the battery management system (BMS) and the high voltage cables. The warranty also covers the cost of labour and materials for the repair or replacement of the battery pack and high voltage system. The warranty is subject to the terms and conditions of the warranty agreement. For more information, please contact Drive EV on 07 378 0082 or visit our website at www.driveev.co.nz.
