Drive EV Battery & High Voltage System Warranty

What is covered?

10 Year / 100,000 km (whichever comes first) warranty on the battery pack and high voltage system. This warranty covers the battery pack and high voltage system components, including the battery pack, high voltage cables, and the high voltage system control unit. The warranty is void if the vehicle is used for commercial purposes, is involved in a collision, or if the battery pack or high voltage system is damaged or replaced. The warranty is also void if the vehicle is not maintained according to the manufacturer's specifications.
