Drive EV Battery & High Voltage System Warranty

What is covered?

• The battery pack is covered for 8 years or 100,000 km, whichever comes first. The warranty is non-transferable and covers the battery pack only. It does not cover the battery pack if it has been damaged by an accident, fire, flood, or other external factors. The warranty is void if the battery pack is replaced or repaired by anyone other than Drive EV.

• The high voltage system is covered for 8 years or 100,000 km, whichever comes first. The warranty is non-transferable and covers the high voltage system only. It does not cover the high voltage system if it has been damaged by an accident, fire, flood, or other external factors. The warranty is void if the high voltage system is replaced or repaired by anyone other than Drive EV.
